SENATOR FALL TELLS OF BORDER CONDITIONS

(Continued from page 1)
treat Villa's first camp was within five miles of 700 Carranza soldiers to whom Ramon Reyes reported and whom he pleaded with to accompany him to attack Villa's 300 men. The Carranza force refused.

Describing in detail, the Columbus raid from information gathered from Columbus officials, Senator Fall said the bandits had made their way into the heart of the town, looted two stores, made and set fire to several buildings before an alarm was given. The Mexicans then murdered the citizens of the town for another fifty minutes before the troops stationed at the hospital appeared.

He said stories of concentration of Carranza troops along the border had been exaggerated, but that he was reliably informed that the Carranza authorities could put 8,000 men into Agua Prieta within five hours and that virtually all the Carranza troops in the state of Chihuahua were stationed along the Mexican Central railroad within one to ten hours march.

The Senator said at the time he wrote that there was not border patrol west of Douglas and had been

GET RID OF SCROFULA HOW? TAKE S. S. S.

Fifty Years' Use Proves S. S. S. Will Relieve Stubborn Cases.

You have noticed the little festering pimples on the face and body—swelling of the glands—soreness in the legs and arm muscles. These are the symptoms of Scrofula. You may have some of these symptoms, possibly the taint of Scrofula infection. But in either case, it is a dangerous condition. Your blood is infected, impure, and you can never hope to gain perfect health until the impurities are washed from the system. If you feel badly all the time, you must crave health. If you want perfect health, bright eyes, clear skin, the knowledge that you are well, you can do so. Cleanse your blood by taking S. S. S. For fifty years it has been the standard blood purifier. It relieves the trouble by renewing the blood, renewing its strength, and stimulating the flow so that the blood regains its lost vitality, and throws off the poison. Even long-standing cases respond. But you must use S. S. S. Take it for all blood infections. Get it at your drug-ist's today.

none between Gibson Ranch and Hachita, where 40 miles to the west, he declared Villa sympathizers were over-running the country.

"In the Torreon, Parral, and Santa Rosa districts," said the letter, "Villa has many friends, and one of his leaders, Canuto Reyes, is said to have 1500 armed men constantly cutting communications and threatening the garrison at Torreon."

The districts mentioned are among those in which Villa has been operating. In his letter Senator Fall said he believed the Mexican people generally welcomed the presence of the American troops.

"Mexicans of the Casas Grandes, Santa Maria and Guerrero valleys are welcoming our soldiers and deal with them on the most friendly terms," he wrote.

"The only opposition which they are meeting at all among the population is because of the understanding that we are assisting Carranza."
